

# Weezer - A Song About You

Tom: **A**

... INTRO ... -- ( **A** **A2** ) 4x

**A** **Dbm**  
First time I saw you  
**D** **E**  
I didn't think you were special  
**A** **Dbm** **D** **E**  
But now I realized that you're the one I want to  
( **A** **A2** ) 2x  
grow old with

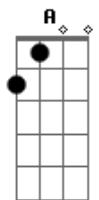

**A** **Dbm**  
I want to take you out,  
**D** **E**  
I want to do everything right,  
**A** **Dbm**  
I'll take you to your favorite shop,  
**D** **E** ( **A** **A2** ) 2x

I'll even let you use my favorite coffee cup

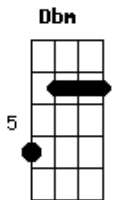

**Gb** **E**  
Oh you, when you look at me,  
**A** **D**  
you make me feel so glad  
**Gb** **E**  
Oh you, when you smile at me,  
**A** **D**  
you make me feel so nervous  
**Bm** **E**  
Because you're the one I adore

**A** **Dbm**  
I'll let you use my coat when you're cold,  
**D** **E**  
I'd do anything for you  
**A** **Dbm**  
But now you're probably in bed,  
**D** **E** ( **A** **A2** ) 4x  
Sleeping with one of my best friends.
