

# Weezer - Damage in your heart

Tom: G

One more time  
I have crossed the line  
Now you won't be mine anymore

One more dream  
Vanished up in smoke  
Now I have no hope anymore

Let it go  
The damage in your heart  
Let it go

The damage in your heart  
I can't tell you how the words have made me feel  
I can't tell you how the words have made me feel

One more tear  
Falling down your face  
Doesn't Mean that much to the world

One more loss  
In a losing life  
Doesn't hurt so bad anymore.  
Chorus

## Acordes
