

# Weezer - Death and Destruction

Tom: **G**

Tabbed by: Nik Pullias

Email:

there best song on the whole album. Please note that this is not completly correct by any measure! For example the solo you will have to improvise, but I did give it a shot!

Intro: (clean)

Fig 1(Distortion)

Verse:(clean)2x

Chorus:(Distortion)                   "..other way" (Riff 1)

Solo:(w/distortion)           P.M.=====           =====

                                  P.M.=====

(You'll have to improvise most of it, but mainly use palm mutes and it'll be fine)

Outro:(distortion) This part is pretty much based around parts of the intro

Song Structure w/lyrics:

[1st Verse]:

i cant say  
that you love me  
so i cry,  
and Im hurting  
[FIG 1]

[2nd Verse]:

every time,  
that i call you  
you find some,  
way to ditch me

[Chorus]:

so i learn to turn  
and look the  
other way

[w/Riff 1]

[Solo]

[Outro]

## Acordes
