

Weezer - I Don't Want Let You Go

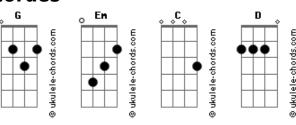

Tom: G

All the times you came to me and told me that you cared Em
I was dreaming of happy days that we both could share C
Maybe I got too excited and maybe you freaked out D
Maybe I just have to call you up and scream and shout

All my friends tell me that I ought to play it cool
Em
No one likes too much attention from a desperate fool
C
Still I don't believe that I could keep it all inside
D
When I see your pretty face I almost want to cry

G Em C
I know it isn't right, but still I have to fight
D G
I have to let you know, I don't want to let you go
Em C
The pain is killing me, but I can't let it be
D G
I have to let you know, I don't want to let you go

Acordes

(G Em C D)

I remember the days when I was stronger than a wall Em
Try as anybody might, they couldn't move me at all C
Now I fall to pieces when you softly call my name D
Going up in smoke like a moth within your flame

G
I have lost all hope for being normal once again Em
I will be a slave to you until the bitter end C
Even if it's a hundred years before you change your mind D

I know it isn't right, but still I have to fight

D
I have to let you know, I don't want to let you go

Em

The pain is killing me, but I can't let it be
