Weezer - Perfect Situation

Tom: F
Intro: Gb Db Abm Db

```
            Gb
What's the deal with my brain?
       Db
Why am I so obviously insane?
      Abm
In a perfect situation
   Db
I let love down the drain
            Gb
There's the pitch, slow and straight
        Db
All I have to do is swing
          Abm              Db
and I'm a hero, but I'm a zero

         Gb
Hungry nights, once again
           Db
Now it's getting unbelievable
          Abm
'Cause I could not have it better
        Db
But I just can't get no play
          Gb
From the girls, all around
         Db                                    Abm
As they search the night for someone to hold onto
            Db
And I just pass through.

And I don't appreciate this excess company
          Gb                      Db
