

Weezer - Say It Ain't So

```
Tom: E
                                                                                       Db Bb
                                                                    Your drug is a heartbreaker.
                                      Afinação: Eb Ab Db Gb Bb
                                                                                             Db Bb A
Eb (intro 2X) Dbm7 Ab A E
                                                                    My love is a life-taker.
Dbm7
          Ab A E
                                                                               Ab
                                                                    I can't confront you, I never could do
Oh yeah.
          Ab A E
Dbm7
                                                                                      Ab
                                                                    That which might hurt you
All right.
            Ab
                                                                    So try and be cool. When I say:
Somebody's Heine is crowdin' my icebox.
                                                                         Ε
Ab A E Somebody's cold one is givin' me chills.
        Ab
                       Α
                                                                    So be cool.
             Ab
Guess I'll just close my eyes.
                                                                    (refrão)
Dbm7
                                                                                        B7
                                                                    Dear daddy, I write you in spite of years of silence. B \overline{\mathsf{B7}} \overline{\mathsf{E}} \overline{\mathsf{G}}
Oh yeah.
   E
All right.
                                                                    You've cleaned up, found Jesus, things are good or so I hear.
                                                                    B B7 E G
This bottle of Steven's awakens ancient feelings
Dbm7 Ab
Feels good.
                                                                                         В
Inside.
                                                                    Like father, stepfather...
                                                                                                      Db Ab
                                                                                                                          Е
                                                                                                                  Α
                                                                                        G
                                                                      The song is drowning in the flood! yeah yeah-yeah yeah-
Flip on the tele... Wrestle with Jimmy.
                                                                    yeah!
Somethin is bubbling behind my back
Dbm Ab A E
The bottle is ready to blow.
                                                                    (solo 3x) Db Ab A
                                                                    (refrão)
(refrão)
                                                                    (intro)
