

# Weezer - Thank God For Girls

Tom: C

## [VERSE 1]

The girl in the pastry shop with the net in her hair  
 Is making a cannoli for you to take on your hiking trip  
 In the woods with your bros that you've known since second grade  
 And you may encounter dragons or ruffians and be called upon  
 To employ your testosterone  
 In a battle for supremacy and access to females glued to the TV  
 And even if you are victorious you may receive many cuts, bruises, and scrapes  
 And you will require band aids and antiseptic ointments  
 And tender loving kisses on your stab wounds and when you come home  
 She will be there waiting for you with a fire in her eyes  
 And a big fat cannoli to shove in your mouth  
 And that's why you

## [CHORUS]

Thank God for girls  
 Holla Jesu Christe  
 From Tennessee to LA  
 Thank God for girls  
 On your reckoning day  
 You better bow down and pray  
 She's so big  
 She's so strong  
 She's so energetic in her sweaty overalls  
 Thank God for girls

## [VERSE 2]

I'm so glad I got a girl to think of even though she isn't mine  
 I think about her all the day and all the night it's enough to know that she's a-live  
 She says I give her sweaty palms she almost had a heart attack  
 The truth is that I'm just as scared I don't know how to act

I wish that I could get to know her better  
 But meeting up in real life would cause the illusion to shatter  
 I carved her name into all the trees  
 Sang a song down on one knee  
 Looking at the underwear page of the Sears catalog like when I was 14  
 I'm levitating like a magnet turned the wrong way around  
 I'm like an Indian Fakir tryna' meditate on a bed of nails with my pants pulled down

## [CHORUS]

Thank God for girls  
 Holla Jesu Christe  
 From Tennessee to LA  
 Thank God for girls  
 On your reckoning day  
 You better bow down and pray  
 She's so big  
 She's so strong  
 She's so energetic in her sweaty overalls  
 Thank God for girls

## [VERSE 3]

God took a rib from Adam, ground it up in a centrifuge machine  
 Mixed it with cardamom and cloves, microwaved it on the popcorn setting  
 While Adam was like "that really hurts"  
 Going off into the tundra, so pissed at God  
 And he started lighting minor forest fires, stealing osprey eggs  
 Messing with the bees who were trying to pollinate the echinacea  
 Until God said, "Imma smite you with loneliness  
 And break your heart in two"  
 And Adam wept and wailed, tearing out his hair, falling on his knees  
 Looked to the sky and said  
 "Thank God"
