

Weezer - Thank God For Girls

```
Tom: C
                                                              I wish that I could get to know her better
                                                              But meeting up in real life would cause the illusion to
[VERSE 1]
                                                             shatter
The girl in the pastry shop with the net in her hair
                                                              I carved her name into all the trees
                              Am
Is making a cannoli for you to take on your hiking trip
                                                              Sang a song down on one knee
In the woods with your bros that you've known since second
                                                              Looking at the underwear page of the Sears catalog like when
grade
                                                             I was 14
And you may encounter dragons or ruffians and be called upon
                                                              I'm levitating like a magnet turned the wrong way around
To employ your testosterone
                 G
In a battle for supremacy and access to females glued to the
                                                              I'm like an Indian Fakir tryna' meditate on a bed of nails
                                                             with my pants pulled down
And even if you are victorious you may receive many cuts,
bruises, and scrapes
                                                                   Am G D
                                                              Thank God for girls
And you will require band aids and antiseptic ointments
                                                                    Am
                                                              Holla Jesu Christe
And tender loving kisses on your stab wounds and when you
                                                                      D
come home
                                                              From Tennessee to LA
                                                                   Am G D
She will be there waiting for you with a fire in her eyes
                                                              Thank God for girls
                                                                     Am
And a big fat cannoli to shove in your mouth
                                                              On your reckoning day
                                                                       D
                                                              You better bow down and pray
And that's why you
                                                                      Am G
[CHORUS]
                                                              She's so big
      Am G D
                                                                      D
 Thank God for girls
                                                              She's so strong
                                                                                       D
      Am
                                                                     Am G
Holla Jesu Christe
                                                              She's so energetic in her sweaty overalls
         D
                                                                    Am G D
                                                              Thank God for girls
From Tennessee to LA
      Am G D
Thank God for girls
                                                             [VERSE 31
        Am
On your reckoning day
                                                              God took a rib from Adam, ground it up in a centrifuge
          D
You better bow down and pray
        Am G
                                                              Mixed it with cardamom and cloves, microwaved it on the
She's so big
                                                             popcorn setting
        D
                                                              While Adam was like "that really hurts"
She's so strong
       Am G
                                                                   F
                                                                                     Am
                                                              Going off into the tundra, so pissed at God
She's so energetic in her sweaty overalls
      Am G D
Thank God for girls
                                                              And he started lighting minor forest fires, stealing osprey
[VERSE 2]
                   G
                                                              Messing with the bees who were trying to pollinate the
I'm so glad I got a girl to think of even though she isn't
                                                              Until God said, "Imma smite you with loneliness
Am
I think about her all the day and all the night it's enough
                                                              And break your heart in two'
to know that she's a-live
She says I give her sweaty palms she almost had a heart
                                                              And Adam wept and wailed, tearing out his hair, falling on
The truth is that I'm just as scared I don't know how to act
                                                              Looked to the sky and said
                                                              "Thank God"
