

Weezer - What Everybody Wants

```
Tom: D
                                                                     [Bm]
                                                                             [Em]
                                                           Everybody wants a chance to feel all alone
                                                           D Bm Em A ("Background Solo") Everybody wants a chance to feel
  [F#m]
           [Bm] [Em] [A]
                     Mm mmm
                                                           all alone
[F#m]
        [Bm]
              [Em]
                     [A]
                                                           [D]
                                                                       [Bm] [Em]
                                                           Hangin' out here besides the old open road
                     Mmm mmm
[F#m]
                 [Em] [A]
                                                           [D] [Bm] [Em] [A] [D] [Bm]
                                                                                                    [Em]
                                                                                                         [A]
       [Bm]
I have brought you here tonight
                                                           Little one, you have done all you could to keep me in your
                                                           arms
  [F#m] [Bm] [Em] [A]
To lay you out upon the stone
                                                           [Bm][Em] [A]
                                                                                 [D]
                                                           Oh, but I watch as you choke on your tears
[F#m] [Bm] [Em] [A]
                                                           [D] [Bm] [Em] [A] [D] [Bm] [Em] [A] Everybody wants a chance to feel all alone
You're the girl that loves me best
[F#m] [Bm] [Em] [A]
Part the robe that hides your chest
                                                           (everybody wants a chance to feel all alone)
         [Bm] [Em]
                                                           [D] [Bm] [Em] [A]
Darlin' I think its time that I let you go
                                                           [D] [Bm] [Em] [A]
                                         [D] [Bm] [Em] [A] [D] [Bm] [Em] [A] roat [D] [Bm] [Em] [A]
 [D] [Bm] [Em] [A]
And I dont feel any guilt as I touch your throat
 [F#m] [Bm] [Em] [A]
You taught me how to sing my songs
[F#m] [Bm] [Em] [A]
What to drink and not to smoke
                                                                                         [A]
                                                           [D]
                                                                     [Bm]
                                                                             [Em]
                                                                                              [D] [Bm] [Em] [A]
                                                           Everybody wants a chance to feel all alone
[F#m] [Bm] [Em] [A]
When to help and who to hate
                                                           (everybody wants a chance to feel all alone)
[F#m] [Bm] [Em] [A]
                                                                      [Bm] [Em]
                                                                                               [D] [Bm] [Em] [A]
                                                                                     [A]
                                                           Hangin' out here besides the old open road
All for love you suffocate
                                                           (everybody wants a chance to feel all alone)
[D] [Bm] [Em] [A] [D] [Bm]
[D] [Bm] [Em]
                              [ A ]
Everybody wants a chance to feel all alone
                                                                                                    [Em] [A]
[D] [Bm] [Em] [A]
                                                           Little one, you have done all you could to keep me in your
Hangin' out here besides the old open road
[D] [Bm] [Em] [A] [D] [Bm]
                                         [Em] [A]
                                                       [D] [Bm] [Em] [A]
                                                                                [D]
                                                                                              [Bm] [Em] [A]
Little one, you have done all you could to keep me in your
                                                           Oh, but I watch as you choke on your tears
                                                                   [Bm] [Em] [A] [D] [Bm] [Em] [A]
arms
                                                           Everybody wants a chance to feel all alone
[Bm][Em] [A]
                      [D]
                                   [Bm] [Em] [A]
Oh, but I watch as you choke on your tears
                                                           (everybody wants a chance to feel all alone)
       [Bm] [Em] [A] [D] [Bm] [Em] [A]
                                                                  [Bm] [Em]
                                                                                       [A] [D] [Bm] [Em] [A]
Everybody wants a chance to feel all alone
                                                           Everybody wants a chance to feel all alone
(everybody wants a chance to feel all alone)
                                                           (everybody wants a chance to feel all alone)
[F#m] [Bm] [Em]
                                                                 [Bm] [Em] [A] [D] [Bm] [Em] [A] [D]
                  [A]
Suddenly I feel so strong
                                                           Everybody wants a chance to feel all alone
[F#m] [Bm] [Em] [A]
                                                           (everybody wants a chance to feel all alone)
I don't hear a single sound
                                                           [D] [Bm] [Em] [A]
[F#m] [Bm] [Em]
Looking up towards the stars
[F#m] [Bm] [Em] [A]
                                                           "Gbm Solo"
I can see for very far
