

Well Matos - Samba Das Lendas

tom:

A

Manguda, foi atrás do curupira
 Pra saber se curacanga

Perdeu a cabeça sem querer

Mãe d'água, está tão desencantada

Porque a forte enurrada levou o saci pererê

D

Caipora, onde é que você mora

Quando apronta dá no fora

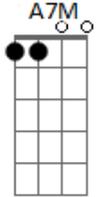

Lobisomem quer te ver, por quê?

Ó boi tatá, onde é que tu está ?

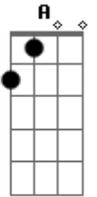

Monta na mula sem cabeça

E vai com Iara mergulhar (bis)
