tom: **Em** [Intro] **Em Em Am Em Em Am Em**

[Primeira Parte]

Em **Em**
 Something warm like a blanket from
Am **Em**
 Your tender heart, your crystal spirit
Em7 **Em**
 It keeps me warm and safe from harm
Am **Em**
 Wrapped around my shoulder
Em7 **Em**
 I love to wake and watch your face
Am **Em**
 And while you sleep, I fall for you again
Em7 **A**
 Is it true, what I feel for you?
Am
 Wish I could help it through
Em
 So you feel it too

[Refrão]

Am7
 And the leaves around the door
Am7
 And the sunlight in the hall
Am7 **D**
 And darkness that will fall
Em
 Make me want you more
Am **Em** **Am**
 Woah, make me want you more

[Solo] **Em7 Em Em**
Em A Am Em

[Segunda Parte]

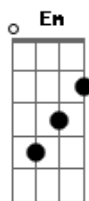

Em **Em**
 Morning breaks on the icy flakes
Am **Em**
 That collect around our window

 Cold outside is a hard goodbye

 With clouds at our mouths as we breathe a sigh
Em **Em**
 And as I look, like an un-ending book
Am **Em**
 Oh, page after page, you are turning
Em **A**
 Yeah, is it true, what I feel for you?
Am
 Wish I could help it through
Em
 So you'd feel it too

[Refrão]

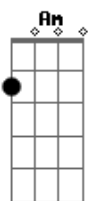

Am7
 And the leaves around the door
Am7
 And the sunlight in the hall
Am7 **D**
 And darkness that will fall
Em
 Make me want you more
Am **Em** **Am**
 Woah, make me want you more

[Solo] **Em7 Em Am Am7 Em**
