

Paul Weller - A Year Late

tom: Em [Intro] Em Em Am Em Em Am Em

[Primeira Parte]

Em
Something warm like a blanket from
Am
Your tender heart, your crystal spirit
Em Em
It keeps me warm and safe from harm
Am Em
Wrapped around my shoulder
Em Em
I love to wake and watch your face
Am Em
And while you sleep, I fall for you again
Em A
Is it true, what I feel for you?
Am
Wish I could help it through
Em
So you feel it too

[Refrão]

Am
And the leaves around the door
Am
And the sunlight in the hall
Am D
And darkness that will fall
Em
Make me want you more
Am Em Am
Woah, make me want you more

[Solo] Em Em Em
Em A Am Em

[Segunda Parte]

Em Em
Morning breaks on the icy flakes
Am Em
That collect around our window
Em Em
Cold outside is a hard goodbye
Am Em
With clouds at our mouths as we breathe a sigh
Em Em
And as I look, like an un-ending book
Am Em
Oh, page after page, you are turning
Em A
Yeah, is it true, what I feel for you?
Am
Wish I could help it through
Em
So you'd feel it too

[Refrão]

Am
And the leaves around the door
Am
And the sunlight in the hall
Am D
And darkness that will fall
Em
Make me want you more
Am Em Am
Woah, make me want you more

[Solo] Em Em Am Am Em
