  Em                        A
Oh, standing on the edge of the mighty ocean

Waiting for the tide to roll

And within this realm of constant motion

I'm tryna find my role in it all
          D
When I woke up
```

[Terceira Parte]

           D
I woke up
  G     A          D
And everyone had gone
  G     A          D
No note to say how long
  G     A          D
So I stepped into the sun
  G     A          Em        A
And waited out the long, long days
      D            G
With nothing much to say
          Bm          Gbm
And it forced to bear so long
  A
On the way

[Refrão]

  Em                        A
Oh, standing on the edge of the mighty ocean
  Em               A
Waiting for the tide to roll
  Em                       A
And within this realm of constant motion
  Gbm        Bm          A
I'm tryna find my role in it all
          D   G
When I woke up

When I woke up
  A           D
Ooh, when I woke up
