

Paul Weller - In a Silent World

```
tom:
Intro: Bm7 A
[Primeira Parte]
What happened to our story?
We're going through right
Finishing that things we started
Never saw the light
[Refrão]
Dbm7
It don't really matter
It's just know the chain
Some much inccidental
I can't remember when, so let them go
[Segunda Parte]
What nice will nothing between but
Just the birds in the sky
We needed nothing really
Only you and I
[Refrão]
And what it doesn't matter
G7M
It's nothing we can't change
Things are so much a better
```

```
Gbm7
Now I can lay my head
Gbm7
In a silent world
 Α
       Α7
Let it go
Let it go
[Ponte]
 Em7
I miss your tender touch
Now I'm missing that town so much
[Solo] Bm7 A Bm7 A
