

Paul Weller - In a Silent World

```
tom:
Intro: Bm A
[Primeira Parte]
What happened to our story?
We're going through right
Finishing that things we started
Never saw the light
[Refrão]
Dbm
It don't really matter
It's just know the chain
Some much inccidental
I can't remember when, so let them go
[Segunda Parte]
What nice will nothing between but
Just the birds in the sky
We needed nothing really
Only you and I
[Refrão]
And what it doesn't matter
It's nothing we can't change
Things are so much a better
```

```
Now I can lay my head
Gbm
In a silent world
       Α7
Let it go
Let it go
[Ponte]
 Em
I miss your tender touch
Now I'm missing that town so much
[Solo] Bm A Bm A
[Refrão]
And what it doesn't matter
Nothing we can't change
Things are so much a better
 Gbm
Now I can lay my head
