[Primeira Parte]
                                                                 Gone, gone
                                                                 [Solo] Em Am Em Am
Us and we
                                                                 Bm Am D
We had nothing
                                                                 [Refrão]
We came together by
      Am Em Am
                                                                Walking back through the silver trees C
Having nothing
                                                                 The light summer's evening breeze
[Segunda Parte]
                                                                Across my face to a time and place \mathsf{G}
Nothing forged our love
                                                                 Then it was gone, gone
Out of nothing
                                                                Gone, gone
Because it was only by
                                                                 [Terceira Parte]
Having nothing
 Bm
We were able to realise
                                                                 Us and we
   Am
We needed nothing else
                                                                We had nothing
