# Paul Weller - Walkin'
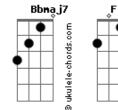

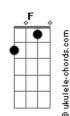

```
                           tom:
                      F
Intro: F  C7  F

[Verso]

 C7
Baby, don't be slow
                         F
The world ain't gonna go till we're out walkin'
 C7
Leave all the baggage at?the?door
                              F
You won't need?it anymore 'cause we're out walkin'

[Refrão]

 Bb7M
Take that?hate
                      F
And turn the world around
 Bb7M
Get some faith
                      F
And plant it in the ground
 Bb7M              Bb
The flags don't cut it anymore
 Eb                      Ab  Gm7  C
The same old lines we've heard before

[Solo] C7   F

[Verso]

 C7
Leave your baggage at the door
                         F
```
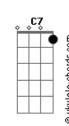

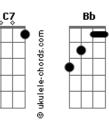

```
You won't need it anymore we're out walkin'
 C7
It takes nothing to be kind
                              F
It's just another state of mind you ain't used to

[Solo] C7  F  C7  F
