Westlife - Evergreen

Tom: C
Intro: C   G   F   C   G

```
C              G              Dm       F        G
Eyes, like a sunrise, like a rainfall down my soul
       C                    G
And I wonder, I wonder why you look at me like that
          F              C
What you're thinking, what's behind
       G          Dm   C   F
Don't tell me, but it feels like love

                  C                          G
I'm gonna take this moment, and make it last forever
                F                          G
I'm gonna give my heart away, and pray we'll stay together
                      C
'Cause you're the one good reason
                       G
You're the only girl that I need
            Dm            F          Dm     C
'Cause you're more beautiful than I have ever seen
         Dm             F         C
I'm gonna take this night and make it evergreen

C              G            Dm       F      G
Touch, like an angel, like velvet to my skin
        C                    G
And I wonder, I wonder why you wanna stay the night
          F              C
What you're dreaming, what's behind
       G          Dm   C   F
Don't tell me, but it feels like love

                  C                          G
I'm gonna take this moment, and make it last forever
                F                          G
I'm gonna give my heart away, and pray we'll stay together
```

```
                                 C
'Cause you're the one good reason
                       G
You're the only girl that I need
            Dm            F          Dm     C
'Cause you're more beautiful than I have ever seen
         Dm             F         C   G    Am
I'm gonna take this night and make it evergreen
                   F            C
We can make it last forever more
       G          Dm   C   F
Don't tell me, but it feels like love

                             D                   A
I'm gonna take this moment, and make it last forever
                G                          A
I'm gonna give my heart away, and pray we'll stay together
                      D
'Cause you're the one good reason (you're the good reason)
                       A
You're the only girl that I need
            Em            G          A
'Cause you're more beautiful than I have ever seen
            D                          A
I'm gonna take this moment, and make it last forever
                G                          A
I'm gonna give my heart away, and pray we'll stay together
                      D
'Cause you're the one good reason (you're the good reason)
                       A
You're the only girl that I need
            Em            G          Em     D
'Cause you're more beautiful than I have ever seen
               Em            G        D    A   Em
I'm gonna take this night and make it Evergreen
        G           D
And make it evergreen
