

Westlife - Open Your Heart

Tom: **D**

I didn't mean to let you down **D A G**
 You have to believe it **A**
 I don't know what went through my mind **D A G**
 But now I can see **A**
 That I waited too long **G**
 To tell you how much it matters **Bm A**
 Just to be right here with you **A**
 But I couldn't think of anything better **G Bm A**
 I should have told you so **A G**

Baby open your heart **D**
 Won't you give me a second chance **Bm G**
 And i'll be here forever **A**
 Open your heart **D**
 Let me show you how much I care **Bm G**
 And I will make you understand **Gb Bm A**
 If you open your heart **G**
 To love me once again **A D A**

I'll try to make it up to you **D A G**
 I want you to know **A**
 Baby I swear that I'll be true **D A G**
 And never let go **A**

If I waited too long **G**
 To tell you how much it matters **Bm A**
 Just to be right here with you **A**
 But I couldn't think of anything better **G Bm A**
 I should have told you so **A G**

I should have told you so

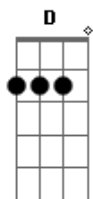

Baby open your heart **D**
 Won't you give me a second chance **Bm G**
 And i'll be here forever **A**
 Open your heart **D**
 Let me show you how much I care **Bm G**
 And I will make you understand **Gb Bm A**
 If you open your heart **G**
 To love me once again **A G**

We could relive this pain and sorrow **Bm A**
 But we better do it in time **G**
 Start over here and save tomorrow **Bm A**
 I wanna make you mine **G**

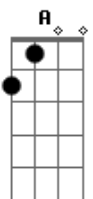

Open your heart with a chance **D Bm G**
 And I'll be here forever **A**
 Open your heart and I'll care **D Bm G**
 And I will make you understand **Gb Bm**
 Oh baby, **A**
 If you open your heart **G**
 To love me once again **A**

Baby open your heart **D**
 Won't you give me a second chance **Bm G**
 And i'll be here forever **A**
 Open your heart **D**
 Let me show you how much I care **Bm G**
 And I will make you understand **Gb Bm A**
 If you open your heart **G**
 To love me once again **A D**
