

Westlife - When you're looking like that

Tom: B

Tabbed by: Steve Lance

This a good variation by westlife as the tempo of this song is faster than the other songs on the album. It's fun and easy to play.

Intro: - B : Gb : E : E x2

She's a 5 foot 10 in catsuit
and Bambi eyes everybody
who was staring wouldn't believe
that this girl was mine

I should have know I was
Wrong when I left her for a life
In pity but they say you never
Miss the water untill it's gone

Guess I failed to love you
And you're taking it out tonight

How am I supposed to leave you now
When you're looking like that
I can't believe what I just gave away
Now I can't take it back
I don't wanna get lost

I don't wanna live my life without you
How am I supposed to leave you now
When you're looking like that

She's all dressed up
Playing a little and rock and roll
Wanna squeeze her real tight
Get out of this place
If only I could take control

But she's out of my reach forever
And just week ago she lied next to me
It's so ironic how I had to lose just to see
That I had failed to love you
And you're taking it out tonight

Chorus

I don't wanna forget you
I don't even wanna try
How am I supposed to leave you now
When you're looking like that
