Seem to end up before your face

The state of my heart

The place where we are

Was written in the stars

I'll be right by your side

C  
The state of my heart  
F  
The place where we are  
G C  
Was written in the stars  
Us Against The World  
Us against the world  
Against the world  
Us against the world  
Against the world  
Em C  
You and I, we've been at it so long  
G D

I still got the strongest fire  
Em C  
You and I, we still know how to talk  
G D  
Know how to walk that wire  
Am  
Sometimes I feel like  
C  
The world is against me  
G  
The sound of your voice, baby  
D  
That's what saves me  
Am C G D  
When we're together I feel so invincible

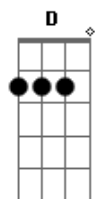

C G  
Cause it's us against the world  
D C  
You and me against them all  
C G  
If you listen to these words  
D C  
Know that we are standing tall  
C D  
I don't ever see the day that  
G C  
I won't catch you when you fall  
C G D  
Cause it's us against the world tonight  
C  
Us against the world  
Against the world  
Em  
There'll be days  
C  
We'll be on different sides but  
G D  
That doesn't last too long  
Em C  
We find ways to get it on track  
G D  
And know how to turn back on  
Am  
Sometimes I feel  
C  
I can't keep it together  
G  
Then you hold me close  
D  
And you make it better  
Am C G D  
When I'm with you I can feel so unbreakable

C G  
Cause it's us against the world  
D C  
You and me against them all  
C G  
If you listen to these words  
D C  
Know that we are standing tall  
C D  
I don't ever see the day that  
G C  
I won't catch you when you fall  
C G D D  
Cause it's us against the world tonight  
Am  
We're not gonna break  
C  
Cause we both still believe  
G  
We know what we've got  
D C  
And we've got what we need alright  
Em C D  
We're doing something right  
C G  
Cause it's us against the world

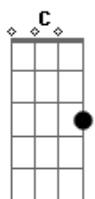

You and me against them all  
 If you listen to these words  
 Know that we are standing tall  
 I don't ever see the day that  
 I won't catch you when you fall  
 Cause it's us against the world tonight  
 Cause it's us against the world  
 You and me against them all  
 If you listen to these words

Know that we are standing tall  
 I don't ever see the day that  
 I won't catch you when you fall  
 Us against the world  
 Yeah it's Us against the world, baby  
 Us against the world  
 Tonight  
 Us against the world  
 Against the world  
 Us against the world
