Jitterbug
Jitterbug

```
                 C
You put the boom boom into my heart
             Dm                     C
You send my soul sky high when your loving starts
 C
Jitterbug into my brain
         Dm                      C
Goes a bang bang bang till my feet do the same
          Dm
If something's bugging you
      Em
If something ain't right
     F                         Em
My best friend told me what you did last night
 Dm                    Em
Left me sleeping in my bed
F                        G
I was dreaming but I should have been with you instead
```

```
                 C
Wake me up before you go-go
                Dm              C
Don't leave me hanging on like a yo-yo
                 C
Wake me up before you go-go
                   Dm                    C
I don't want to miss it when you hit that high
                 C
Wake me up before you go-go
                Dm              C
'Cause I'm not planning on going solo
                 C
Wake me up before you go-go
 G      F           C
Take me dancing tonight
                 C
I wanna hit that high
```

```
                 C
You put the grey skies out of my way
             Dm                     C
You make the sun shine brighter than Doris Day
 C
You turn a bright spark into a flame
             Dm               C
My beats per minute never been the same
 Dm                    Em
'Cause you're my lady I'm your fool
      F                       Em
It makes me crazy when you act so cruel
```

```
         Dm               Em
Come on baby lets not fight
F                            G
We'll go dancing everything will be alright
```

```
                 C
Wake me up before you go-go
