

Whipallas - Welcome To The Start

Tom: **G**

Borders can be made **F**
 Trees may lose their color **F**
 Prayers for the rain **C**
 Armies can invade **F**
 Hands may use the power **F**
 Bombs that separate **C**
 It seems that we had gone too far **G** **F**
 Wherever you are **Am**
 As long as you take **C**
 Welcome to the start **F** **Dm**
 Whatever you are **Am**
 As long as you make **C**
 Welcome to the start **F** **Dm**
 Even now that's just the two of us **F** **G**

And we are ready to prove **F** **Dm** **C**
 Borders we can break **F**
 Trees instead of towers **F**
 Prayers just to thank **C**
 Armies go away **F**
 Hands may give you flowers **F**
 Bombs to deactivate **C**
 It seems that we still have to walk **G** **F**
 Wherever you are **Am**
 As long as you take **C**
 Welcome to the start **F** **Dm**
 Whatever you are **Am**
 As long as you make **C**
 Welcome to the start **F** **Dm**
 Even now that's just the two of us **F** **G**
 And we are ready to move **F** **Dm** **C**
