Whitburn - Stolen Dance

```
                          tom:
                 G
Intro: Em  D  C

Em          D       C
I want you by my side
G                      B7
So that I never feel alone again
Em            D       C
They've always been so kind
G                      B7
But now they've brought you away from here
Em           D         C
I hope they didn't get your mind
G                     B7
Your heart is too strong anyway
Em          D          C
We need to fetch back the time
G                     B7
They have stolen from us

[Refrão]

C
And I want you
G
We can bring it on the floor
          B7              Em
You've never danced like this before
            D
But we don't talk about it
C                   G
Dancin on doin the boogie all night long
B7          Em
Stoned in paradise
D
Shouldn't talk about it

C
And I want you
G
We can bring it on the floor
          B7              Em
You've never danced like this before
            D
But we don't talk about it
C                   G
Dancin on doin the boogie all night long
B7          Em
Stoned in paradise

Shouldn't talk about it

Shouldn't talk about it

[Verso]

Em          D      C
Coldest winter for me
G                  B7
No sun is shining anymore
Em          D      C
The only thing I feel is pain
G                 B7
Caused by absence of you
Em          D      C
Suspence is controlling my mind
G                    B7
```

```
I cannot find the way out of here
Em        D        C
I want you by my side
G                      B7
So that i never feel alone again
