

# White Lies - Bigger Than Us

Tom: G

Intro: B

B A G  
B  
You took the tunnel route home, you've never taken that way  
with me before.

A G  
Did you feel the need for change?  
B A G

B  
Apologies on your fingernails, love flickered in the city of  
lights,

A G  
Like good singers on radio waves

B A G B  
I don't need your tears

A  
I don't want your love  
I just gotta get home.

Refrão:

G D A G  
And I feel like I'm breaking up, and I wanted to stay,

D A G  
Headlights on the hillside, don't take me this way,

D A G  
I don't want you to hold me, I don't want you to pray,

D A  
This is bigger than us

( B A G A B )

( B A G A )

B A G

B  
You went where the horses cry, you've never taken that way  
with me before.

A G B  
Did you feel the need for change?  
A G

B  
Guilt smeared across your lips, I was tired and cold from the  
window

A G B  
You're cold, nothing has changed.

A G B  
I don't need your tears

A G B  
I don't want your love  
I just gotta get home.

G D A G  
And I feel like I'm breaking up, and I wanted to stay,

D A G  
Headlights on the hillside, don't take me this way,

D A G  
I don't want you to hold me, I don't want you to pray,

D A  
This is bigger than us
