

# White Plains - My Baby Loves Lovin'

Tom: **Bb**

(forma dos acordes no tom de **G** )  
Capostrate na 3ª casa

My baby loves love my baby loves lovin'  
She's got what it takes and she knows how to use it  
My baby loves love my baby loves lovin'  
She's got what it takes and she knows how to use it  
I was lonely once in this great big world  
Just a nowhere man without his girl  
Then one day she came my way

And she smiled at me as if to say

She's the only one makes me feel so good  
She believes my love so I knock on wood  
All my sorrows and fears seem to fly away  
When she looks at me as if to say  
My baby loves love my baby loves lovin'  
She's got what it takes for me  
No more lonely nights just waitin' for the  
Telephone to ring  
No more lonely days my baby's takin' care  
Of everything I'm tellin' you people
