

Whiteheart - I'll meet you there

```
tom:
Intro: Gb B E
I feel the chill of Autumn's wind
   Gb B E
Seasons changing once again
    Gb B
And every moment's best
     Gb B Dbm
Still one moment less we spend
   F
Together my friend
   Gb B
I can't hold back these tears in my eyes
    Gb B E
This time I won't even try
    Gb B E
                       В
For time has come and gone, now we must move on
   A Dbm E
I'll admit I don't know why
Now we must say good-bye
 B Db Gb
To find our road ahead
E Gb B Bb Ebm
Destiny leads us on to another place
E Abm Gb B E Gb B E
But I'll meet you there someday
     Gb B E
We chase the future into past
   Gb B E
Only to find it never lasts
                               Dbm
         В
```

```
And by the time it's gone, the pain is so strong in the end
But listen my friend
 E Gb B
                  F
Although we've lost what was before
 Gb B E
Forever will bring us the chance once more
 B Gb B Gb
And in that time we'll see, what was meant to be
     E
                       Gb
A special moment to cherish for all of our lives
And we'll know in time
E Gb
Why we must say good-bye
 Abm Db Gb
To find our road ahead
E Gb B Bb
                     Ebm
Destiny leads us on to another place
 E Abm
But I'll meet you there
E Gb
From the lives we all leave behind
Abm Db Gb
We find there's much more ahead
E Gb B Bb Ebm
The Father will lead us on to a better place
E Abm Gb B E
And I'll meet you there someday
 E Abm Gb B E
I'll meet you there someday

E Abm Gb B E
I'll meet you there someday
```
