

Whitesnake - Easy Does It

Tom: **E**

(**E#4**)

During the verse there's some **Am7** and **Am** shifts, but I don't really know the exact phrasing. Use these voicings:

Am7: lowE: x02213 :high**E**

Am: lowE: x02212 :high**E**

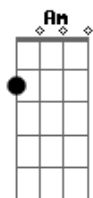

During the chorus use the main riff.

When the distorted guitar enters use this variant of the main riff:

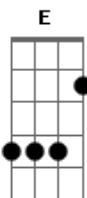

(**E#4**)
