

Whitesnake - Looking For Love

Tom: **G**

Em
I'm tired of waiting - And closing my eyes
I'm asking myself - Why is it all my horizons **C Bm7 Am**
Are so far away **Em**

Em
I look in the mirror - Don't like what I see
In my reflection - **A** stranger is staring at me **C Bm7 Am**
Looking for love **Em**

Em
The love of a woman - The needs of a man
I try so hard to believe but I don't understand **C Bm7 Am**
The search goes on **Em**

Em
But over the mountains - Across the sea **C Bm7 Am**

I know love is waiting - I hear it calling to me
Calling my name **Em**

(Chorus)
I'm looking for love all around me **C D**
Looking for love to surround me **C D**
The love that I need To rescue the state of my heart **Em D Em D**

Em
Alone again, it's always the same

I've just been marking my time
Since the day I was born **C Bm7 Am** With no one to blame **Em**

Em
The candle is burning - It's way down low **C Bm7 Am**
I just need someone to show me the way - the way to go **Em**
Which way to go.
