

Whitney Houston - I will Always Love You

Tom: A

If I should stay,
I would only be in your way.
So I'll go, but I know,
I'll think of you every step of the way?

And I will always love you,
I will always love you?
You? My darling, you? hummm?
Bittersweet memories
That is all I'm taking with me
So goodbye, please don't cry
We both know I'm not what you, you need
And I will always love you,

I will always love you.

I hope life treats you kind
And I hope you have all you've dreamed of
And I wish you joy and happiness
But above all this I wish you love.

And I will always love you,
I will always love you,
I will always love you,
I will always love you,
I will always love you.
I, I will always looove you
You, darling I love you,
Ooh I'll always, I'll always love you.
