Tom: G

```
    Am        D         G         Em
So many nights I sit by my window

Waiting for someone to sing me his song

So many dreams I kept deep inside me
Gb
Alone in the dark, but now

You've come along

You give me hope to carry on

       D    G    A
And fill my nights with song
```

Could it be finally I'm turning for home

Never again to be all alone
```
