

# Why Don't We - Fallin' (Adrenaline)

tom: F

Am  
Caught in the moment, not even thinkin' twice C  
Everything's frozen, nothing but you and I F  
Can't stop my heart from beating E  
Why do I love this feeling?

Am C  
Make me a promise, tell me you'll stay with me F  
If I'm bein' honest, I don't know where this leads

But that's the only question E  
Baby, don't keep me guessin'

Am C  
Ooh, you are my muse Dadd9  
I feel so reckless E  
Oh, you're makin' me, makin' me, makin' me give in

Am  
Oh baby, I can feel the rush of adrenaline C  
I'm not scared to jump if you want to F  
Let's just fall in love for the hell of it E  
Maybe we'll just keep fallin'

Am  
I can feel the rush of adrenaline C  
I'm not scared to jump 'cause I want you F  
Let's just fall in love for the hell of it E  
Maybe we'll just keep fallin' C  
Am F  
When I'm around ya, I feel it in my veins

Something about ya that's makin' me go insane F  
We have a storm to weather E  
My little sweet surrender
