

# Why Don't We - Lotus Inn

tom:

Yeah <sup>G</sup>  
<sup>D</sup> <sup>G</sup> <sup>D</sup> <sup>G</sup>

I saw you movin' on the dance floor <sup>D</sup>  
 I caught you lookin' over at me and my friends <sup>G</sup>  
 Got my attention, now I want more <sup>D</sup>  
 I think we both know how this night's gonna end <sup>G</sup>  
 The way that you move your hips to the rhythm of the beat <sup>D</sup>  
 You got me so nervous, think I need another drink <sup>G</sup>  
 But then you grabbed my hand, said, "Baby, come with me" <sup>Bm</sup>  
 This wasn't a part of the plan, no <sup>G</sup> <sup>A</sup>

But you look, you look so perfect dancing next to me <sup>Em</sup> <sup>A</sup>  
 I wish the sun would look the other way <sup>Em</sup> <sup>A</sup>

'Cause I never want this night to end <sup>D</sup>  
 Baby, we could turn back time <sup>G</sup>  
 Do it all over again <sup>D</sup>  
 Tomorrow we can press rewind <sup>G</sup>  
 We're staying at the Lotus Inn <sup>D</sup>  
 Baby, we could turn back time <sup>G</sup>  
 Do it all over again <sup>Bm</sup>  
 Tomorrow we can press rewind <sup>G</sup>  
 I never want this night to end <sup>A</sup> <sup>D</sup>

Played you this song up on the stereo (What? Yeah) <sup>D</sup>  
 You played it over and over again <sup>G</sup>  
 Before it even hit the radio, oh-woah-oh <sup>D</sup>  
 Now they spin it over and over again <sup>G</sup>  
 We've had a few good nights and a couple of bad ones <sup>D</sup>

<sup>G</sup>  
 A few bad fights but I'm glad that they happened  
 And at the end of the night, I can honestly say <sup>Bm</sup>  
 I'd do it over and over and over again, yeah <sup>G</sup> <sup>A</sup>

But you look, you look so perfect dancing next to me <sup>Em</sup> <sup>A</sup>  
 I wish the sun would look the other way <sup>Em</sup> <sup>A</sup>

'Cause I never want this night to end <sup>D</sup>  
 Baby, we could turn back time <sup>G</sup>  
 Do it all over again <sup>D</sup>  
 Tomorrow we can press rewind <sup>G</sup>  
 We're staying at the Lotus Inn <sup>D</sup>  
 Baby, we could turn back time <sup>G</sup>  
 Do it all over again <sup>Bm</sup>  
 Tomorrow we can press rewind <sup>G</sup>  
 I never want this night to end <sup>A</sup> <sup>D</sup>

Ayy-yeah, ayy-yeah-eh <sup>G</sup>  
 Ayy-yeah, ayy-yeah-eh <sup>Bm</sup>  
 Ayy-yeah, ayy-yeah-eh <sup>G</sup>  
 Oh yeah yeah, ee-yeah yeah, yeah yeah <sup>A</sup> <sup>D</sup>

Baby, we can turn back time <sup>G</sup>  
 Do it all over again <sup>D</sup>  
 Tomorrow we could press rewind <sup>G</sup>  
 We're staying at the Lotus Inn <sup>D</sup>  
 Baby, we could turn back time <sup>G</sup>  
 Do it all over again <sup>Bm</sup>  
 Tomorrow we can press rewind (Oh yeah yeah, ee-yeah yeah) <sup>G</sup>  
 I never want this night to end (Yeah yeah, to end) <sup>D</sup>

<sup>G</sup> <sup>D</sup> <sup>G</sup>  
 Baby, we can turn back tim
