

# Wicked The Musical (Broadway) - For Good

tom: E [Intro]

A  
I'm limited  
Just look at me  
I'm li\_mi\_ted  
And just look at you  
You can do all I couldn't do, Glinda  
( E C )

So now it's up to you  
For both of us  
Now it's up to you  
[Interlúdio] Db Gb Db Gb Ab

[Primeira Parte]

I've heard it said  
That people come into  
Our lives for a reason  
Bringing something we must learn  
And we are led  
To those who help us most to grow  
If we let them  
And we help them in return  
Well, I don't know  
If I believe that's true  
But I know I'm who I am today  
Because I knew you

[Refrão 1]

Like a comet pulled from orbit  
As it passes a sun  
Like a stream that meets a boulder  
Halfway through the wood  
Who can say if I've been  
Changed for the better? But  
Because I knew you  
I have been changed for good

[Segunda Parte]

It well may be  
That we will never meet again  
In this lifetime

So let me say before we part  
So much of me  
Is made of what I learned from you  
You'll be with me  
Like a handprint on my heart  
And now whatever way our stories end  
I know you have re-written mine  
By being my friend

[Refrão 2]

Like a ship blown from its mooring  
By a wind off the sea  
Like a seed dropped by a skybird  
In a distant wood  
Who can say if I've been  
Changed for the better? But  
Because I knew you  
Because I knew you  
I have been changed for good

[Ponte]

And just to clear the air  
I ask forgiveness for the things  
I've done you blame me for  
But then, I guess we know  
There's blame to share  
And none of it seems to matter anymore

[Refrão]

Like a comet pulled from orbit  
(Like a ship blown from its mooring)  
As it passes a sun  
(By a wind off the sea)  
Like a stream that meets a boulder  
(Like a seed dropped by a bird)  
Halfway through the wood  
(In the wood)  
Who can say if I've been  
Changed for the better?  
I do believe I have been  
Changed for the better  
And because I knew you

**Gb** **Db**  
Because I knew you

[Final]

**Gb** **Db**  
Because I knew you

**Db** **Gb** **Ab** **Db**  
For good
