

wifiskeleton - Everyday The Same Joke

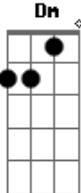

tom:
 C
 Dm
 I've been high for most of my life
 G
 And I can't count the times I survived
 C
 She just wants to blow your mind
 A7
 I swear to God that I showed her the signs
 Dm
 Acetone'll burn in my soul
 G7
 'Til I get high, it's black just like coal

Wake me up before you go
 A7
 Just say what you mean, or I'll never know
 Dm
 Walkin' and it's haunted
 G7
 Your heart begins to rotten
 C
 But you would say today
 A7
 It feels like I'm on the TV
 But I don't want them to see me
 It's so mellow today
