

wifiskeleton - Nope Your Too Late I Already Died

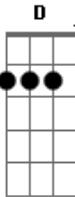

tom:
 C C D G
 I'm not tryna ruin your fun
 B7 C D G
 You're just a little bit late, I guess you're already done
 B7 C D G
 There's this feelin' I can't shake 'cause I'm too dumb
 B7 C D G
 I'm never doin' the right thing, so I'm so stuck

B7 C D G
 If you see me in America, I might say: Hi
 B7 C D G
 But if you meet me out in Europe, I'm a talkative guy
 B7 C D G
 Maybe we'll talk over scones around lunch some time
 B7 C D G
 And I've never been to France, so it might be nice
 B7 C D G
 But I can't take this paparazzi, geez
