Room a catacomb Db7 Gb7

This ghou! a balloon Db7 Gb7

With the breath from beneath your breast Db7 Gb7

Yes, that is best B7 Gb7

Hug it to me Db7 Gb7

And the rubber raspberries Db7 Gb7

With wantingly wet mouth I suck B7 Gb7

Remind me of your gentle fuck

Men to be men must love and pity Abm7 Bbm7 Ebm7

So deeply and secretly Abm7 Db7 Ebm7

Flaccid Db7 Gb7

I asked for this Db7 Gb7

Below spit rich belly pit moan B7 Gb7

And blush with hot hormone

Wash it from me Db7 Gb7

This stuff sad and sticky Db7 Gb7

Blub into the soapsuds B7 Gb7

Trim my 'tache and pull the plug

Men to be men must love and pity Abm7 Bbm7 Ebm7

So deeply and secretly Abm7 Db7 Ebm7

How you'd smother me B7 Bbm7

Wetly whisper what you'd like Ebm7 Gb7

And we'd be clumsy as virgins B7 Ebm7

In vigil light Gb7

How you'd smother me B7 Bbm7

Wetly whisper what you'd like Ebm7 Gb7

And we'd be clumsy as virgins B7 Ebm7

In vigil light Gb7 Bbm7
