Room a catacomb
 Db7 Gb7
 This ghou! a balloon
 Db7 Gb7
 Wth the breath from beneath your breast
 B7 Gb7
 Yes, that is best

Db7 Gb7
 Hug it to me
 Db7 Gb7
 And the rubber raspberries
 Db7 Gb7
 With wantingly wet mouth I suck
 B7 Gb7
 Remind me of your gentle fuck

Abm Bbm Ebm
 Men to be men must love and pity
 Abm Db7 Ebm
 So deeply and secretly

Db7 Gb7
 Flaccid
 Db7 Gb7
 I asked for this
 Db7 Gb7
 Below spit rich belly pit moan
 B7 Gb7

And blush with hot hormone

Db7 Gb7
 Wash it from me
 Db7 Gb7
 This stuff sad and sticky
 Db7 Gb7
 Blub into the soapsuds
 B7 Gb7
 Trim my 'tache and pull the plug

Abm Bbm Ebm
 Men to be men must love and pity
 Abm Db7 Ebm
 So deeply and secretly

B7 Bbm
 How you'd smother me
 Ebm Gb7
 Wetly whisper what you'd like
 B7 Ebm
 And we'd be clumsy as virgins
 Gb7
 In vigil light

B7 Bbm
 How you'd smother me
 Ebm Gb7
 Wetly whisper what you'd like
 B7 Ebm
 And we'd be clumsy as virgins
 Gb7 Bbm
 In vigil light
