

Wild Belle - Love Like This

Tom: Ab

(com acordes na forma de Capostrate na 1ª casa G)

My heart's on fire
 You light me up, and I can't cool down
 Your love is wild
 You're dangerous
 Dangerous (2x)
 Remember when you kissed me by the sea
 You were saying all the things that I'd like to believe
 That you could give me all your love
 You could give me just enough
 And we could live in paradise
 And never have to leave
 But is it true?
 Whenever I look around
 I can always find you
 On my side
 In the morning and night
 You're my can-candy all the time
 My heart's on fire
 You light me up, and I can't cool down
 Your love is wild
 You're dangerous
 Dangerous
 I've never known a love like this

I've never known a love like this

Oh oh, Oh ooooohh
 Ooo, ooo, oooo
 I like your style
 I like your smile
 Everything about you
 When you are on top
 I let you take me for a ride
 We can go anywhere you want to
 My heart's on fire
 You light me up, and I can't cool down
 Your love is wild
 You're dangerous
 Dangerous
 I like your style
 I like your smile
 Everything about you
 When you are on top
 I let you take me for a ride
 We can go anywhere you want to
 I've never known a love like this
 I've never known a love like this
 I've never known a love like this
 I've never known a love like this
