

Wild Child (Folk Band) - Hold On, Hold You

tom:
C
[Primeira Parte]
C C7M
Ring the alarm and call both our fathers
C7 F
I'll take the blame if you start to cry
F C
One more broken heart won't make this life this harder
D G
Lord knows you can't say I don't try

C C7M
So feel my lungs burst and my rib cage split
C7 F
My broken heart takes just one more hit
C F
It's not that I don't still worship your fits
D G
I just hate that you know when I lie
[Refrão]

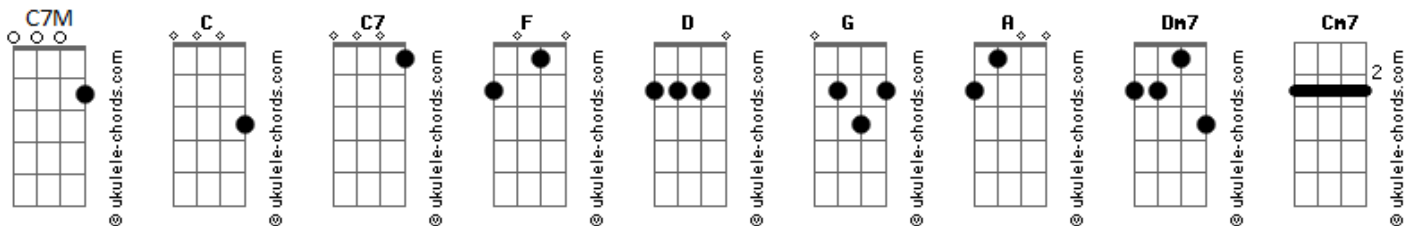

C C7M
So I will not ask you where you've been sleeping
C7 F
And you shouldn't question my smile
F C
We're gonna lose if we try to hold on forever
D G
So please let me hold you for a while

(C C7M C7 F)
(A Dm7 Cm7)

[Segunda Parte]

C C7M
Holding my breath I can't hit the water
C7 F

Acordes

I never knew how long I could fall
F C
So many missed steps, a babe to the slaughter
D G
I was sure I'd been through it all

C C7M
Oh feel my guard fall watch my legs give in
C7 F
My broken heart starts to lose it again
F C
It's not that I need you, I just can't pretend
D G
That without you I am happy at all

[Refrão]

C C7M
So I will not ask you where you've been sleeping
C7 F
And you shouldn't question my smile
F C
We're gonna lose if we try to hold on forever
D G
So please let me hold you for a while

C C7M
Oh I will not ask you where you've been sleeping
C7 F
And you shouldn't question my smile
F C
We're gonna lose if we try to hold on forever
D G
So please let me hold you

Oh please let me hold you
C C7M C7 F A
Oh for a whiiiiiiiiiiiiii

[Final] Dm7 Cm7 C
