Tom: **G**
Intro: **Em G C**

Em **G** **C**
I walked out my house tonight, just to hear the quiet, listen
to the dark before I lie
Em **G** **C**
Looking to the city lights burning from afar, glowing at the
bottom of the sky

Em **G** **C**
I think nothing beautiful comes without a fight, of course

that we started out

Em G C
Em **G** **C**
Ooooooh, oh coming back around with just more jewelry, I'm
afraid that we've departed now, ooh, ooh

D **Em** **C** **G**
You won't catch me, trains are moving too fast
D **Em** **C** **G**
What's this railcard to some bits of broken glass
D **Em** **C** **G**
I had a box of pictures that I hid in tall grass

Em **C**
You won't find me cause I'm already gone
Em **C**

You won't find me cause I'm already gone

squandered it

Am7 **Em** **C** **G**
I got rid of your taste with some things in a place, because I
wanted it
