

William Moreno - Bad Times

Tom: C

I'm looking for shelter
and I shoudn't go down this road
Nothing seems to change, no more
I'm so high and out of control
Driving my life without my soul
and I lost my way back to home
oh no, oh no

REFRÃO

Don't call my name
If you don't really want to stay with me
I'm not your slave
I got my plans
and I'm trying so hard
To get enough
(C G Em)

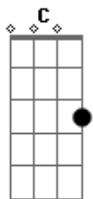

I did some bad things
When I was full of anger, because
I could never have what I always wanted
I've never been so far that I could not return
but I think this time I went too far
and I can't jump out of my moving car
and I can't do it again
So please to avoid my pain

BABY

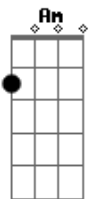

REFRÃO

Don't call my name
If you don't really want to stay with me
I'm not your slave
I got my plans
and I'm trying so hard
To get enough
