    D                    A   A   Bm       Bm               G    A7
Maybe I didn't love you        quite as often as I could have
D                    A   A   Bm       Bm               E    E7
Maybe I didn't treat you       quite as good as I should have
G                    D        D
If I made you feel second best
G   D            Em   G
I'm so sorry I was blind

        A                          D    Em7  D
        But you were always on my mind
        G           A          D   G  A
        You were always on my mind

D             A          Bm      Bm           G    A7
Maybe I didn't hold you all those lonely lonely times
D             A          Bm    Bm   E           E7
And I guess I never told you I'm so happy that you're mine
G                    D            D
Little things I should have said and done
G   D            Em   G
I just never took the time

        A                          D    Em7  D
        But you were always on my mind
