

# Willie Nelson - Always On My Mind

tom:

G

Maybe I didn't love you

Quite as often as I could have

Maybe I didn't treat you

Quite as good as I should have

If I made you feel second best

I'm so sorry I was blind

But you were always on my mind

You were always on my mind

Maybe I didn't hold you

All those lonely times

And I guess I never told you

I'm so happy that you're mine

Little things I should have said and done

I just never took the time

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

You were always on my mind

But you were always on my mind

But you were always on my mind

You were always on my mind

Teeeeeell me

Tell me that your sweet love hasn't died

Giiiiive me

Give me one more chance to keep you satisfied (k?)
