

# Willie Nelson - Are You Sure

Tom: **D**  
 Oh, look around you  
 Look down the bar from you  
 The lonely faces that you see  
 Are you sure that this is where you want to be  
 These are your friends  
 But are they real friends  
 Do they love you the same as me  
 Are you sure that this is where you want to be  
 You seem in such a hurry to live this kind of life

And you've caused so many pain and misery  
 Look around you, take a good look  
 Just between you and me  
 Are you sure that this is where you want to be  
 Please don't let my tears persuade you,  
 I had hoped I wouldn't cry  
 But lately, teardrops seem a part of me  
 Oh, look around you, take a good look  
 At all the lonely used-to-be's  
 Are you sure that this is where you want to be
