Willie Nelson - God's Problem Child (feat. Tony Joe White, Leon Russell & Jamey Johnson)

```
                                  tom:
                 Em
Intro: F7  E7  Am

Am
I did the best I could do

But the best I could tell
               Dm7
The higher I flew
             Am
The farther I fell
Em    G       Am
Born in the mud

Raised in the wild
                F7   E7
Washed in the blood
                 Am
God's problem child

[Solo] Am   Em   G
       Am   Dm   Am
       F7   E7   Am

Am
I feel the shine
Em G        Am
Following me
            Dm
Not far behind
                   Am
That's where I wanna be
```

```
                       F7   E7
A little out of time
               Am
Fine by me

[Solo] Am   Em   G
       Am   Dm   Am
       F7   E7   Am

Am
Darkness may fall
Em  G       Am
We still got a light
                Dm
Keeping us all
                     Am
Safe through the night
                 F7   E7
Heaven must love
                   Am
God's problem child
                 F7   E7
Heaven must love
                   Am
God's problem child
                 F7   E7
Heaven must love
                   Am
God's problem child

[Solo] Am   Em   G
       Am   Em   G   Am
```
