

Willie Nelson - Rainbow Connection

tom:

G

G Em C D

Why are there so many songs about rainbows

G Em C

And what's on the other side?

G Em C D

Rainbows are visions, but only illusions

G Em C

Rainbows have nothing to hide

C

So we've been told and some choose to believe it

D7 D

I know the wrong way to see

C D G Em

Some day we'll find it, the rainbow connection

C D G

The lovers, the dreamers, and me

G Em C D

Who said that every wish will be heard and answered

G Em C

And wished on a morning star?

G Em C D

Somebody thought of that and someone believed him

G Em C

Look what it's done so far

C

What's so amazing and keeps us stargazing?

D7 D

What do we think we might see?

C D G Em

Some day we'll find it, the rainbow connection

C D G

The lovers, the dreamers and me

G Em C D

Have you been half asleep and have you heard voices?

G Em C

I've heard them calling my name

G Em C D

Are these the sweet sounds that called the young sailors?

G Em C

I think that they're one and the same

C

I've heard it too many times to ignore it

D7 D

It's something that I'm supposed to be

C D G Em

Someday we'll find it the rainbow connection

C D G

The lovers, the dreamers and me

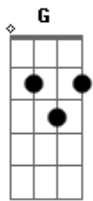

C

Someday we'll find it the rainbow connection

C

The lovers, the dreamers and me
