Willie Nelson - The Scientist

Tom: E

Intro:

```
E                A                      E
  Come up to meet you, tell you I'm sorry
You don't know how lovely you are
E          A                  E
  I had to find you, Tell you I need you
Tell you I set you apart
E              A                    E
  Tell me your secrets, And ask me your questions
Oh, let's go back to the start
E              A              E
  Running in circles, Coming up tails
Heads on a science apart

E        A            E
  Nobody said it was easy,    It's such a shame for us to part
E        A            E
  Nobody said it was easy,    No one ever said it would be
```

this hard

Oh, take me back to the start

Verses

```
E              A                      E
  I was just guessing, At numbers and figures
Pulling the puzzles apart
E              A                    E
  Questions of science, Science and progress
Don't speak as loud as my heart
E              A                    E
  Tell me you love me, Come back and haunt me
Oh, and I rush to the start
E            A              E
  Running in circles, Chasing tails
Coming back as we are

E        A            E
  Nobody said it was easy,  Oh It's such a shame for us to
part
E        A            E
  Nobody said it was easy,    No one ever said it would be
this hard
