

Willis - I Think I Like When It Rains

tom: Gbm

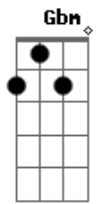

I think I like when it rains A Bm
 You told me to go to the light D D7 A
 And what it's like to feel your pain D D7 A Bm
 Now I'm okay if you're alright Bm
 I start to wonder why I came D D7 A
 I dreamed of things you said to me Bm
 We stayed at your place while it rains D D7 A
 We talk and we laugh and watch TV

And I couldn't find the words D Dm
 I couldn't think of what to say A
 And all that I can do is stop D Dm A

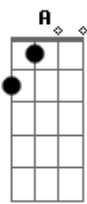

And think about the days D Dm
 When all we used to dream about A
 Was meeting after school D
 And we would go on home Dm A
 And start right back again

I think I like when it rains A Bm
 Call up some friends and have some fun D D7 A
 Oh lord I wish things were the same, nowadays Bm
 We'd go back to your place and we're done D D7 A
 And I got nothing else to blame Bm
 I wish the words would come to me D D7 A
 We stay at your place while it rains Bm
 We party while your mom's asleep D D7 A
