

# Willow Smith - Female Energy

Tom: **F**

I just landed in another atmosphere **Gm** **Dm**  
 I'm just floating, in a stain steel sphere **Gm**  
 I bet you have questions, like where did I come from **Dm**  
 I know, I come from that planet that hit Tiamat **Gm**  
 Years ago, years ago  
 Years ago, years ago  
**Dm**  
 I do my flows and then I get so lost  
 Light just take my sphere to go, sphere to go  
 Sphere to go, sphere to go  
**Dm**  
 To the top of the pyramid let's save the world like this **Bb**  
**Dm**  
 Conversing with light bodies, but really they're all apart of me  
 Let's get the whip and go, cause I'm tired of this solar ring **Gm** **Dm**  
 It's really out of my control **Gm**  
 How you feel is not my problem **Dm**  
**Gm** **Dm**

I do not want you to go, but I don't know how to stop you  
**Gm** **Dm**  
 Whatever, whatever I guess whatever **Gm**  
 I don't care, get dressed whatever **Dm**  
 I don't feel like talking, whatever **Dm**  
 Cause it's really out of my control **Bb**  
 How you feel is not my problem **Dm**  
 I really don't want you to go, but I do not want to stop you **Gm** **Dm**  
 Cause you gone do what you got to do **Gm**  
 And what I do is not your problem **Dm**  
 Just let me let me love you **Gm**  
 Stop trying to make it complicated **Dm**  
 Really out of my control **Bb**  
 What I do is not your problem **Dm**  
 I really want to go **Bb**  
 But please, please don't stop me **Dm**
